RESUBMISSION OF INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Sir:

On May 13, 2004, Applicants submitted to the Patent and Trademark Office (PTO) an Information Disclosure Statement (IDS) along with 115 references and a fee sheet authorizing the PTO to charge all necessary fees to our deposit account. However, it appears that the IDS and references were never matched with the file as there is no record in the PAIR system of the May 13 IDS. Accordingly, submitted herewith are the fee sheet, IDS, form PTO-1449, and the 115 references originally submitted on May 13, 2004, as well as a return postcard indicating receipt of those materials by the PTO on that date.

We respectfully request that the Examiner considered these 115 references on an expedited basis and return an initialed copy of the enclosed forms PTO-1449.

Additionally, we respectfully request that the Examiner also consider the 37 references submitted with the June 18, 2004 IDS and return an initialed copy of the forms PTO-1449 submitted on that date (a copy of these PTO-1449 forms are also submitted herewith). The June 18, 2004 IDS appears to have been matched with the file as the PAIR system indicates that the June 18 IDS was received by the PTO, thus we are not resubmitting the 37 references as the Examiner should already have them.

Applicants are grateful for the Examiner's prompt consideration of these materials.

Respectfully submitted,

By
